Greetings,

Our Dogwood tree has finally popped! It is beautiful, especially with all the cardinals in it. Sometimes we can have 10 male cardinals at one time in the tree and the feeder next to the tree. Watching the birds has been a favorite pastime for me, since I've been at home.

Well, this week Tuesday's Technique is "Different ways to use Radiant Pearls". Don't forget next weeks is Rubber Stamping on wood and/or glass. Be thinking of doing even a bigger project, like a piece of furniture. Come learn the technique and have some fun. You could even do this on some outdoor summer and/or kids furniture.

Remember we are celebrating our 15<sup>th</sup> year in business this year. Because of this, on the 15<sup>th</sup> of each month (this year) we giving you, as an appreciation, 15% discount on a different stamp company. The 15<sup>th</sup> is tomorrow and the stamp company for this month is Impression Obsessions. They have great stamps, be sure to stop by.

We have one box of 12 x 12 paper trays left. These are the plastic ones that stack on top of each other. \$66.00 for the box of 10 trays.

You've been asking for the SDU Masters classes and this Sat. Cindy has scheduled "Pattern Paper", she also is teaching her card class for the month which is "Watercoloring". Check the calendar for the times.

The week of April 21<sup>st</sup> is a full week of classes. There is something going on everyday of the week, except Mon. Cindy has a weekday-daytime Basic stamping class. Be sure, to come join us for some fun. Get some ideas for your Mother's Day, Graduation, & Father's Day cards.

If you are planning on being with us for National Scrapbook Day, be sure to sign up before it is filled up.

Have a Great Week & Happy Stamping & Scrapbooking! Marilyn
