Greetings,

I hope all of you Mother's had a wonderful Mother's Day. We had tornadoes that came through the Winston-Salem/Greensboro area on Thurs. and they were scheduled to come through again on Sunday. We are very thankful that they didn't. I hope most of you weathered the storm on Thursday. Our thoughts and prayers are with those of you who had damage and for the family who lost a loved one.

Tomorrow's Tuesday's Technique is stamping, using Outline Stamps. We have a lot of beautiful samples and ideas, so be sure to come by and see them.

Thursday is the 15<sup>th</sup> of the month and remember, we are celebrating our 15<sup>th</sup> year in business and part of the celebrating is to give you -15% off a different company on the 15<sup>th</sup> of each month. So, this month the company will be MAGENTA. Next month we will have Alphabet Sticker, Chipboard, & Stamp Sets, -15% on Saturday, June 14<sup>th</sup>. We have a great selection, so stop by to take advantage of this special.

Father's Day is coming, and we have a lot of ideas for your cards. When you care to send the best, make it personal by using a stamp of his interests.

Tonight is the Scrapbook 101 class. This Thurs. is a Scrapbook Crop w/ Teresa (6:00-10:00). This is a new class and will be every 3<sup>rd</sup> Thurs. of each month. Teresa now offers 4 different crops for each month. Look for added long weekend crops. The girls had so much fun on Nat'l scrapbook weekend, that they asked us to please have them more often.

This Sat. MAY 17<sup>th</sup>, Betty is going to be working over at our demo counter and using several different techniques. She'll be using Creative Café materials, Grundgeboard, and Bohemia Monogram letters (I'm sure she'll be throwing in some other things too). As you all know she is very creative and does beautiful work. This will be going on all day Sat.

My foot is coming along, I'm going over to Duke on Wed. to see what the Dr. has to say. I'm hoping that I might be able to be there on Sat, and if so, I will plan on doing a make-n-take in the cottage. I'm looking forward to being back at the shop and seeing all of you again.

Be sure to keep looking at the class/event calendar to stay atop of all that is going on. We will have something Special for Memorial Weekend and then don't miss the 31<sup>st</sup>, when we will have 2 special guests for the day. **CORRECTION! IN THE FLYER AND**

For all you ladies who want to learn the newest techniques in the scrapbooking industry, two of our employees, Betty and Teresa, have just returned from a scrapbooking event, where they took classes with national and international artists and

designers. Let me drop a few names: Heidi Swapp, Jenni Bowlin, Wilna Furstenberg (Making Memories), Danelle Johnson (Creative Café), and several others. Wow!... they are full of fresh new approaches and information on new products. Here is your chance to create and design some new pages. For the 12 x 12 monthly page class, the teachers are each doing a 2-page layout, so you will end up with 4 completed pages. It will be held on **Mon. May 19<sup>th</sup> 6:00-8:00, \$26**. The class is limited to 16, so sign up now. Drop by the cottage and check out page #1 (the other 3 pages will be a surprise)! When you sign up you will be given a list of supplies needed and what pictures you will need to bring. Some scrapbook experience is required since this will be a fast pace class! Come join Betty and Teresa for a fun filled evening!
