We should be getting in our order for the Scor-Pal the end of this week or next week. We have a lot of great ideas to do with it. Because we haven't carried this item before we will be offering it for a special price of \$35 for a limited time. Call in with your credit card # to save yours if you want one.

So many exciting classes and events are scheduled for the upcoming weeks. Please make sure and check out our calendar of events. Plan to sign up for one or all of the wonderful classes that are taught at **Enchanted Cottage!!!**

**Dragonfly Dreams**" last chance for this class is **July 23<sup>rd</sup>**. In this class you will use the Spellbinders Nestabilities die cut system to frame a beautiful Northwoods floral stamp. You will also use the EK corner punch which is a must have for everyone whether you are a cardmaker or a scrapbooker. AND, of course, what is life without a little glitter?? You will also use the scalloped oval punches with another beautiful butterfly/floral stamp from Northwoods. We will embellish this card with the glossy accents (another MUST have) as well as ribbon. On the third card we will stamp with the glue pad and apply glitter. If you haven't tried this technique you are in for a real surprise! As always...you will have a chance to use the Scor-it which is another awesome tool for perfectly scoring your cards every time. The cards are on the website. The class is \$18.00. Please bring a dry adhesive, scissors, 1/8 inch pop dots, and a black Marvy or Tombo marker with a tip at both ends.

Did you ever want to utilize that **Double sided paper** and did not know how? Come join Betty and Teresa on **July 28<sup>th</sup>** and learn some great scrapbooking techniques with this paper. There is a sample at the store for you to view. Please include your e-mail address when you sign up for this class so they can inform you of the pictures and basic supplies you will need. ### **OTHER UPCOMING EVENTS**

**Sat. July 19<sup>th</sup> BIG SALE in the classroom**

**Sat. Aug. 2nd**

We have a very special instructor coming to the store on **August 2<sup>nd</sup>**. **Deborah Sandoval** loves art and paper crafts. Since leaving the corporate world to become a stay-at-home mom 6 years ago, Deborah has dabbled in painting and rubber stamping. She then discovered scrapbooking and has been smitten ever since. Deborah has been fortunate enough to take classes from **Teresa Collins, Elsie Flannigan, Emily Falkinbridge** and her personal favorite **Tim Holtz**, from whom she has taken 12 classes. She has combined all of her class experiences with her own individual creativity into designing scrapbooking projects. Deborah grew up in NC, but has resided in Southern California for the last 12 years along with her husband and teenage son. We will be using the **Bind-it-all** system and using **Memory Makers "Passport"** collection. You will learn many techniques, the album is really neat and we have a sample at the store. Stop by to see it and sign up for the class soon, space is limited. The Tim Holtz class that was going to be in the afternoon has been changed to a FREE Demo. We thought that more of you could learn all those great techniques if we did it that way. In order to get an idea how many will be coming, please let us know if you are planning to attend, thanks.

### **END OF OCT. (dates TBA)**

We have received our **Dixie Classic Fair** Catalog. Every year we want to encourage our customers to enter their creations. There are a number of different categories for all ages. The website is [www.dcfair.com](http://www.dcfair.com). Of course they have a **Rubber Stamp & a Scrapbook category**, plus many other craft, art, photo & more. You do have to have your entry form in by Sept. 1<sup>st</sup> and then they will tell you when and where to bring your item. There is no entry fee and they do give prizes. In order to support the Fair and to encourage people to get involved in the fun, we are going to have our own "ENCHANTED CLASSIC FAIR" here. It will be held after the Dixie Classic Fair and anyone who has entered (a category using products that we sell) at The Dixie Classic Fair, can enter our Fair. There will be more details to follow, but start getting your creative juices going. We will have prizes too!
