12x12 "Layout Design" Class w/ Betty & Teresa

For all you ladies who want to learn the newest techniques in the scrapbooking industry, two of our employees, Betty and Teresa, have returned from a scrapbooking event, where they took classes with national and international artists and designers. Let me drop a few names: Heidi Swapp, Jenni Bowlin, Wilna Furstenberg (Making Memories), Danelle Johnson (Creative Café), and several others. Wow!...They are full of fresh new approaches and information on new products. Here is your chance to create and design some new pages. For the 12 x 12 monthly page class, the teachers are each doing a 2-page layout, so you will end up with 4 completed pages. Drop by the cottage and check out page #1 (the other 3 pages will be a surprise)! When you sign up you will be given a list of supplies needed and what pictures you will need to bring. Some scrapbook experience is required since this will be a fast-paced class! Come join Betty and Teresa for a fun-filled class!

Their new 12 x 12 class is scheduled for Monday, June 23rd 6-8 PM "Everyday Life Album".
