UPCOMING EVENTS

Sat. Aug. 2nd

We have a very special instructor coming to the store on **August 2nd**. **Deborah Sandoval** loves art and paper crafts. Since leaving the corporate world to become a stay-at-home mom 6 years ago, Deborah has dabbled in painting and rubber stamping. She then discovered scrapbooking and has been smitten ever since. Deborah has been fortunate enough to take classes from **Teresa Collins**, **Elsie Flannigan**, **Emily Falkinbridge** and her personal favorite **Tim Holtz**, from whom she has taken 12 classes. She has combined all of her class experiences with her own individual creativity into designing scrapbooking projects. Deborah grew up in NC, but has resided in Southern California for the last 12 years along with her husband and teenage son. We will be using the **Bind-it-all** system and using **Memory Makers "Passport"** collection. You will learn many techniques, the album is really neat and we have a sample at the store.

For those taking the class here is the supply list you will need to bring with you:

You do have to have your entry form in by Sept. 1st and then they will tell you when and where to bring your item. There is no entry fee and they do give prizes. In order to support the Fair and to encourage people to get involved in the fun, we are going to have our own "ENCHANTED CLASSIC FAIR" here. It will be held after the Dixie Classic Fair and anyone who has entered (a category using products that we sell) at The Dixie Classic Fair, can enter our Fair. There will be more details to follow, but start getting your creative juices going. We will have prizes too!
