Greetings,

What a weekend we had. The Demo's were great & everyone had a fun time. The winners were: Amy Foster for the \$50 gift certificate, Marilyn Sue for the Cook Bookin' prize, and the Grand prize Winner was Cynthia Parks for the Fiskars Tote filled with product (value \$200.). Congratulations to all of you and thank you to all who made it a great success and to the ladies at the store who worked hard to make it all be a pleasant experience. If you weren't able to be here, be sure to ask about all that went on. Stacey used the Fiskars tools in so many beautiful ways. Her samples made you want to buy one of each. We will have pictures of the sample pages soon.

Then Jackie, the Cook Bookin' lady, had such cute things & she had the best ideas. We are ordering more from her, so ask to see it all. If you are looking for a special gift to give someone, these would be welcomed by anyone.

Don't miss the Tues. Techniques. Tomorrow is "Stamping on Acetate" using Lumiere paints and metallic sheets/flakes. Next Tuesday's is learning to make a "Pleated Card," with or without a Scor-it. Remember this is FREE

Tues. Crop w/ Teresa is tomorrow night 6:00 - 10:00 \$8

Wed. Cindy will be having her last Pocket Card Class, 12:30 - 2:30 \$18.

Fri. is The Cinderella Crop w/ Teresa 6:00 - midnight \$10 There is so much to crop at this time of the year. You've got The Ballet Recital, Graduation, Baseball, Mother's & Father's day. The list goes on and on. Come join the fun and get those pages done.

Sat. we will have our Basic Stamping and Scrap booking classes. We are very blest to have the best teachers out there. Ask anyone who has taken classes from them and they say, "they don't come any better". Cindy's Basic Stamping Class is at 9:30 -11:30 and Betty's Scrapbook 101 is at 1:00 - 3:00. Each class is \$12 and you get 10% off of any purchases that day. Betty also has her class scheduled for Tues. 6/10 at 6:00 - 8:00 PM.

Cindy has samples of her card class for June on our website. Here is her description:

Butterfly Wishes and Dragonfly Dreams!

In this class you will use the Spellbinders Nestabilities die cut system to frame a beautiful Northwoods floral stamp. You will also use the EK corner punch which is a must-have for everyone whether you are a cardmaker or a scrapbooker. AND, of course, what is life without a little glitter?? You will also use the scalloped oval punches with another beautiful butterfly/floral stamp from Northwoods. We will embellish this card with the glossy accents

(another MUST have) as well as ribbon. On the third card we will stamp with the glue pad and apply glitter. If you haven't tried this technique you are in for a real surprise! As always...you will have a chance to use the Scor-it which is another awesome tool for perfectly scoring your cards every time. The cards will be available to view on the website soon. The class is \$18.00. Please bring a dry adhesive, scissors, 1/8 inch pop dots, and a black Marvy or Tombo marker with a tip at both ends. See the class schedule for dates and times.

Teresa and Betty have had their 1st joint 12 x 12 "Layout Design" class. It filled up quickly & they are offering it again on Sat. June 21st, 1:00-3:00. This class is already filling up, so if you want to be a part of it, you will need to call us soon to register

Their new class is scheduled for Monday, June 23rd 6-8 PM "Everyday Life Album".

This class is about your everyday life and how you live it. The price of this class is \$32.00 which includes the album. The new class is not your typical 12X12 pages, and is a whole new concept to scrapbooking. So start taking pictures of everyday life, such as your job, favorite activities, eating places, foods, and make sure to catch your family doing their usual things. Make sure to sign up soon!!!!

Many of you have been asking if we can demo the Tues. Technique on Saturdays too. We will be doing that this Sat. 12:00 - 4:00 "Stamping on Acetate" using Lumiere Paints or Gold/Metalic sheets/flakes, this is FREE!
