HELLO HELLO HELLO,

I hope everyone is having a great time, with all the end of the school year events over. I know things get really busy, but now it is time to scrapbook all those events and pictures (before you forget the journaling). There will be a Thurs. Crop from 6-10 PM, June 19th and then on Fri. June 20th 6-midnight, is the Cinderella Crop. You could get a lot done! I don't see any reason why you couldn't leave all your things in the classroom if you decided to come for the 2 nights.

Summer has come in with a BANG! That may be a good reason to come and have some fun in the air-conditioned Enchanted Cottage! The Tuesday Technique for this week is learning to make a pleated (with or without a Scor-it). Remember this is FREE! (12:30-3:00) Please note that there will be no Tuesday Tech. on the 17th., but will resume again the following week.

Saturday, the 14th (because the 15th falls on a Sunday) we will be having our -15% off SALE celebrating our 15th year in business. It will be for Alphabet Sets, Alphabet Sticker Sets, Alphabet Chipboard Sets & Alphabet Rubber Stamps Sets. We have a great selection, so be sure to stop in.

This Sunday is Father's Day, we have a great selection of stamps. The girls have made many different card samples to give you ideas to make it easy. You must come to see them (the cards) because, the girls are very talented, so you know the cards are bound to be good.

Look for some 12 x 12 layout class in July & Aug. for "Ballet Recital", "Graduation", "Father's Day", & "Patriotic" themes.

Cindy has samples of her card class for June on our website. Here is her description:

Butterfly Wishes and Dragonfly Dreams!

In this class you will use the Spellbinders Nestabilities die cut system to frame a beautiful Northwoods floral stamp. You will also use the EK corner punch which is a must have for everyone whether you are a cardmaker or a scrapbooker. AND, of course, what is life without a little glitter?? You will also use the scalloped oval punches with another beautiful butterfly/floral stamp from Northwoods. We will embellish this card with the glossy accents (another MUST have) as well as ribbon. On the third card we will stamp with the glue pad and apply glitter. If you haven't tried this technique you are in for a real surprise! As always...you will have a chance to use the Scor-it which is another awesome tool for perfectly scoring your cards every time. The cards are on the website. The class is \$18.00. Please bring a dry adhesive, scissors, 1/8 inch pop dots, and a black Marvy or Tombo marker with a tip at both ends. **Wed. June 25th, 12:30 - 2:30 & Sat. June 28th, 9:30 - 11:30.**

Teresa and Betty have had their 1st joint 12 x 12 "Layout Design" class . It filled up quickly & they are offering it again on **Sat. June 21st, 1:00-3:00** For the 12 x 12 monthly page class, the teachers are each doing a 2-page layout, so you will end up with 4 completed pages. Drop by the cottage and check out page #1 (the other 3 pages will be a surprise)! When you sign up you will be given a list of supplies needed and what pictures you will need to bring. Some scrapbook experience is required since this will be a fast pace class! Come join Betty and

Teresa for a fun filled class! This class is already filling up, so if you want to be a part of it, you will need to call us soon to register

Their new class is scheduled for **Monday, June 23rd 6-8 PM** "Everyday Life Album".

This class is about your everyday life and how you live it. The price of this class is \$32.00 which includes the album. The new class is not your typical 12X12 pages, and is a whole new concept to scrapbooking. So start taking pictures of everyday life, such as your job, favorite activities, eating places, foods, and make sure to catch your family doing their usual things. Make sure to sign up soon!!!!

I hope you all have a blessed week and have fun Stamping & Scrapbooking, Marilyn
